

LARGE ACCOUNT PROGRAM

• FROM TEXAS MUTUAL •

With our Large Account Program, you can count on us to provide the best workers' compensation experience for your clients with attentive service through a single point of contact.

The program is available to eligible policyholders with a premium over \$100,000, pending approval. Members of our Large Account Program can look forward to the following benefits.

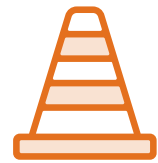

CONCIERGE SERVICE

- Personalized experience with a dedicated account manager
- Access to a direct resource for questions, claim reviews and more

ONLINE ASSISTANCE

- Help with navigating the onboarding process, including setting up a Texas Mutual Online (TMO) account
- Guided tour of how to access claims information, loss runs and more
- Step-by-step assistance with payroll reporting and final audit

SAFETY RESOURCES

- Access to thousands of up-to-date free safety resources
- Over 600 e-Learning training courses to choose from

Policyholders with premium over \$400,000 are considered Premier Accounts within the Large Account Program and have access to additional benefits. Your clients will receive:

- On-site consultations from Texas Mutual's safety team, as needed
- A customized safety service plan

We are committed to providing excellent service and understand the care that your larger clients may require, that's why we're proud to partner with you to deliver service that exceeds their expectations and boosts your retention.
