LEARN MORE

To learn more about safety groups, contact Texas Mutual at (800) 859-5995.

At Texas Mutual Insurance Company, we take care of Texas hospitals and medical facilities by offering lower premiums and a healthy range of services. The Hospitals of Texas (HOTComp) safety group is open to qualifying Texas hospitals and their majority-owned subsidiary businesses.

In addition to a premium discount, members have access to an industry-specific safety plan, and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

\$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of HOTComp, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
