**TXOGA**  
TEXAS OIL & GAS ASSOCIATION | SINCE 1919

In your line of business, you give Texans the resources to power our future. The Texas Oil & Gas Association (TxOGA) safety group returns the favor by lowering your workers' comp premium. TxOGA is open to businesses in oil and gas exploration and production.

In addition to a premium discount, members have access to an industry-specific safety plan and can qualify for a group dividend. Texas Mutual policyholders have access to thousands of free training materials in our safety resource center, including a robust safety catalog, engaging e-Learning online training courses and more.

## \$ DIVIDEND HISTORY

All Texas Mutual policyholders have the opportunity to earn individual dividends, but as a member of TxOGA, you may qualify for an additional group dividend if the group has favorable results. Safety group dividends are based on the group's loss history rather than a company's individual history.
